

A photograph of a modern glass shower enclosure in a bathroom. The shower has a white base and clear glass panels with chrome hardware. Inside the shower, there is a showerhead, a handheld shower wand, and a built-in shelf. The bathroom includes a white toilet on the left, a vanity with a white countertop and wooden cabinets on the right, and a mirror above the vanity. The floor is tiled with light-colored tiles. The text "IGS INSTRUCTIONS" is overlaid in the center of the image.

IGS INSTRUCTIONS

To avoid mistakes and having to navigate through multiple binders or websites, Image Globe Solutions (IGS) has developed a system to easily search & find products for both clients and showrooms.

IGS offers a variety of products from a selection of companies in a timely manner providing the user with an exceptional hassle free experience when selecting a product.

The following instruction manual explains the process on how to navigate through Image Globe Solution's filtering system as a showroom representative or from the customer's point of view.

1. Go to imageglobesolutions.com to login or sign up.

2. After logging in, hover over main centre to select shower centre.

3. Choose a subcategory at the bottom you would like to pursue.

- For this example let's choose **BYPASS AND SLIDER SHOWER DOORS**

4. To locate desired product, use the displayed filters.

#	Brand	Model#	Model	Height	Glass	Opening	Hardware	Door Type
---	-------	--------	-------	--------	-------	---------	----------	-----------

5. Press anywhere on the row to populate more information on the product.

Manufacture's link provided

Tap anywhere along the rows to reveal more information.

A modern glass shower enclosure with a white base and chrome hardware is the central focus. The enclosure features a sliding door with a large chrome handle and a fixed side panel. Inside, a showerhead and a built-in shelf are visible. The bathroom includes a white toilet on the left, a wooden vanity with a white countertop on the right, and a mirror above the vanity. The floor is tiled in a light beige color. The text "IGS INSTRUCTIONS (PUBLIC)" is overlaid in white, bold, sans-serif font across the lower portion of the shower enclosure.

A modern glass shower enclosure is shown in a bathroom. The enclosure features a white wall panel with a wavy, textured pattern. The glass doors are framed in chrome and have a long, vertical chrome handle. Inside the shower, there is a chrome showerhead, a handheld showerhead, a chrome shower tray, and a chrome shower basket. The shower is set against a wall of white tiles. A recessed ceiling light is visible above the shower. The floor is made of grey tiles. A white bathtub is partially visible on the left side of the image.
